\$125 per person

TERMS & CONDITIONS

Payment:

A **50% non-refundable retainer** is required to book a session. Your retainer locks in a date and time so nobody else can book during that time. You may reschedule a booked session with at least **48 hours notice**. If you cancel within those 48 hours, you have forfeited the retainer. Last minute cancellations prevent me from being able to book that time with another client. The **remaining 50% balance** will be due the day of your session. You will not receive any images until the full payment has been made.

Lateness:

You have a **10 minute window** to be late. After 10 minutes, you will be cutting into your shooting time, which will not be extended. I will wait a total of 20 minutes, after which I will pack up and leave. This means your deposit will be forfeited, and you will need to re-book.

However, if you anticipate being more than 20 minutes late, but still wish to complete a full session, a **late fee of \$50** will be applied, and I will wait for your arrival (this only applies if no client is scheduled after your time slot).

Travel:

Travel fees apply for any location more than **40 minutes or 25 miles away** (whichever comes first).

Return Time & Revisions:

Return time is within **7 days**. Rush fee available (fee varies for each session, amount of extra edits & how fast they must be returned). 1 revision period is complimentary. After that, revisions will be **\$50 per revision** period.

Additional Info:

Proofs are smaller format photos that are watermarked and not edited.

RAW images are not given out under any circumstances.

Copyright: Under US Law, once a photographer takes a photo, the copyright of said photo belongs to them. Even if you pay for a photoshoot, the copyright of the photo belongs to the photographer. This means that you may not use these photos (or any art/design derived of these photos) for any merchandise (shirts, posters, mugs, etc) or to sell on any platform. If you would like to use photos for merchandise or to sell on any platform, please contact me for pricing for that specific service.
