Self Employment

CHARM (Community. Humanity. Art. Representation. Media.)

Founder | August 2023 - Present

A Hudson Valley based media outlet and social enterprise, run by folks with a passion for art, education, activism and community building! With a “for us, by us” approach, we run photo and video productions, publish print and digital media, host events, and partner with local organizations and businesses to support marginalized communities and help boost community grassroots efforts.
